

Welcome to Warnemünde

“Smooth seas do not make skillful sailors...”

TO ALL MASTER'S STUDENTS

The official semester's start for the

Operation and Management of Maritime Systems Marine Transportation

programs will be

21st September 2026

12 a. m.

Warnemünde Campus / Building 2 / Room 2306

This is a **mandatory event** where you will receive information about the program and have the opportunity to talk with professors and staff from the Department of Maritime Studies, System Engineering, and Logistics. You will also meet students in higher semesters who can offer you some tips for your master's program.
